UKCC Levels

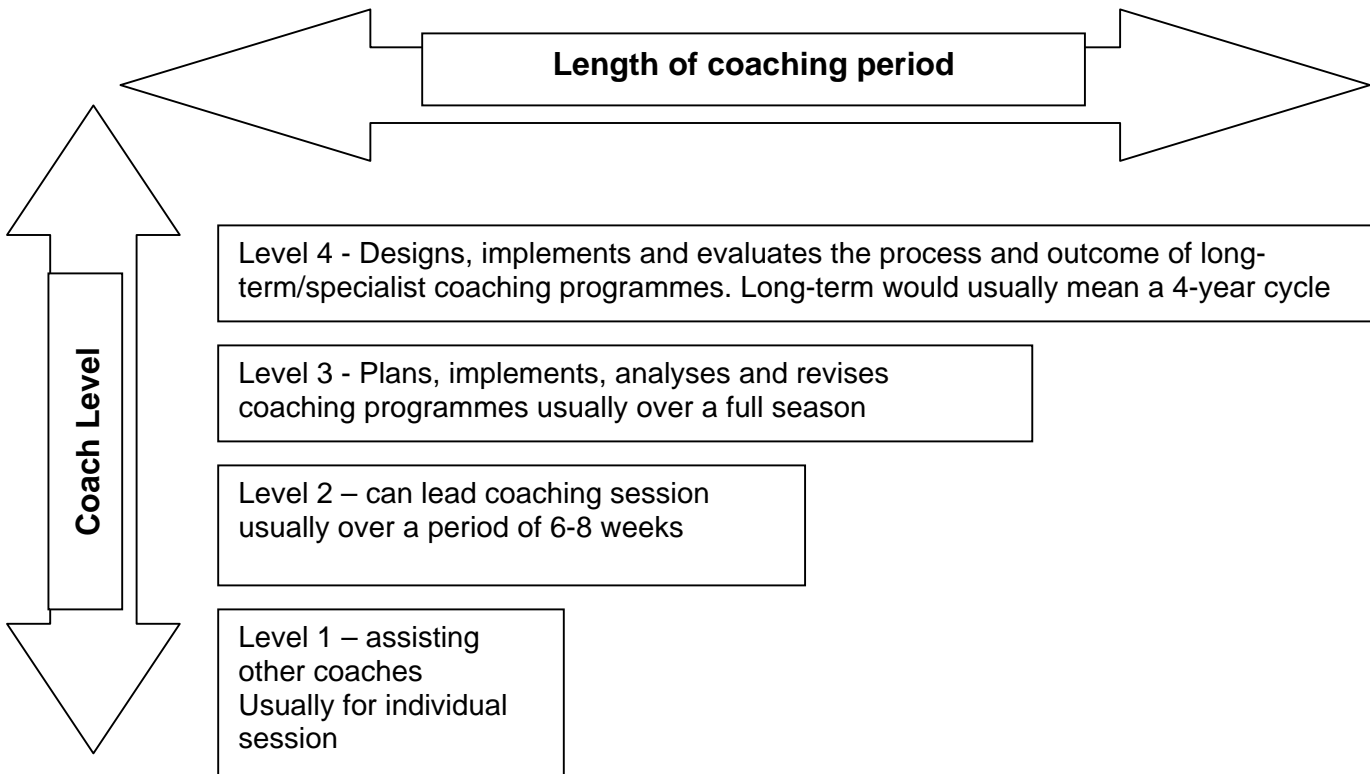

The UKCC aims to support coaches to develop the 'how to coach' skills. This means that we need to be clear about the role that coaches fulfil, how long the coaching programme lasts and what kind of knowledge, skills and experience coaches need to fulfil their role.

The UKCC is split into five levels and are described as follows:

Level	What the qualified coach will be able to do:
Level 4	Design, implement and evaluate the process and outcome of long-term/specialist coaching programmes
Level 3	Plan, implement, analyse and revise annual coaching programmes
Level 2	Prepare for, deliver and review coaching session(s). This will normally be a series of 6-10 coaching sessions in any one sequence.
Level 1	Assist more qualified coaches, delivering aspects of coaching sessions, normally under direct supervision.

The Netball course programmes at each level have been designed to help you fulfil the roles above.

In diagram form, the UKCC can also be explained as follows:
